## COVID-19 Booster Shot

10/27/2021

### Who is Eligible for a COVID-19 Booster Shot?

Certain people are now eligible to receive a COVID-19 booster shot, including those who received Moderna and Johnson & Johnson/Janssen COVID-19 vaccines. Eligible individuals may choose which vaccine they receive as a booster dose. CDC's recommendations now allow for this type of mix and match dosing for booster shots.

- For individuals who received a Pfizer-BioNTech or Moderna COVID-19 vaccine, the following groups are eligible for a booster shot at 6 months or more after their initial series:
  1. 65 years and older
  2. Age 18+ who live in [long-term care settings](#)
  3. Age 18+ who have [underlying medical conditions](#)
  4. Age 18+ who work or live in [high-risk settings](#)

*Based on this, our staff are all eligible, all of the residents of IRA's are eligible as well as many who live at home based on their age and/or underlying medical conditions.*

### Warren County Vaccine Update – Moderna/J&J booster info

- Those with questions about eligibility for boosters/third doses should call Warren County Health Services at [518-761-6580](tel:518-761-6580).
- For up to date information on upcoming vaccine clinics- visit [warrencountyny.gov/covidhub](https://warrencountyny.gov/covidhub)
- Warren County Health Services continues to offer COVID-19 vaccine first doses, second doses, booster doses and additional doses for immunocompromised.
- Warren County Health Services is expecting to receive their **approval for Moderna and Johnson & Johnson booster shots later this week.**
- Most local pharmacies continue to have Pfizer and/or Moderna COVID-19 vaccines available on either a walk-in or appointment basis for first doses, third doses and boosters.
