Dancing with the Adirondack Stars will be similar to the popular hit television show and will pair local Professional Dancers with Celebrities from our community. Professional partners will choreograph each dance and couples will perform before a panel of judges. Partners will have the opportunity to compete for the coveted Mirror Ball Trophy or the Fan Favorite Award voted on by the audience. As a subscriber to the live streaming event, you too will be able to Text-To-Vote for your Fan Favorite! The event will also feature three talented CWI Stars who will entertain the audience with singing and dancing acts. Proceeds from this fundraiser will benefit CWI. Special thanks to Black Mountain Visuals and Interactive Media Consulting, LLC for their assistance in making this live streaming event possible.
